Destress

Non-drowsy calming formula

- Stress
- Anxiety
- Mood
- Insomnia

 Vegan  Non-GMO  Gluten Free

PRODUCT DESCRIPTION

Pro Destress is a fast-acting and long-lasting anxiolytic for anxiety, stress, and onset insomnia, particularly in those that dealing with phase 2 adrenal dysfunction. It works to calm excess sympathetic tone with GABA, L-theanine, and the adaptogen holy basil.

Holy basil helps induce relaxation, promotes a feeling of calm, and reduces stress, both acutely and addressing underlying dysfunction. L-theanine is the amino acid predominately found in green tea associated with increased alpha wave activity in the brain, resulting in a calming, yet alert effect. Finally, GABA is a well-understood inhibitory neurotransmitter, prescribed in the treatment of multiple nervous system disorders, including, stress, anxiety, panic disorders, and insomnia.

AOR ADVANTAGE

Pro Destress is formulated with effective doses of L-theanine, Holy basil, and GABA. This fast-acting combination is also a non-drowsy formula, making it a suitable solution for both daytime and nighttime use.
