

PRO Gastro Relief

Promotes gastric health

- Gastroesophageal reflux
- Heartburn
- Indigestion
- Gastritis

 Vegan
  Non-GMO
  Gluten Free

PRODUCT DESCRIPTION

Pro Gastro Relief is a revolutionary supplement for heartburn, indigestion, and other conditions of the upper gastrointestinal tract (GIT). It quickly and effectively provides natural support against the pain of heartburn and helps heal the stomach lining while providing nutrients that target its potential causes.

Mastic gum can disable H. pylori, vitamin C increases stomach acidity and ginger provides relief from digestive upset, while zinc-carnosine promotes the healing of damaged cells from the stomach lining.

AOR ADVANTAGE

AOR's Pro Gastro Relief is one of the few products containing sodium alginate, an effective, fast acting and research-supported therapy for acid reflux symptoms.

NPN: 80033385

60 capsules

AOR 34201

Adult Dosage:

Take two capsules daily with food, or as directed by a qualified health care practitioner.

Cautions:

Do not use if pregnant or breastfeeding, if you are taking erectile dysfunction-type products, or if you have an allergy to plants of the Anacardiaceae family such as pistachio, terebinth, Chinese pistache, and *Schinus terebinthifolius* (Brazilian pepper). Consult a health care practitioner prior to use if you have hypochlorhydria/achlorhydria, stomach lesions, diabetes mellitus, Crohn's disease, or if you are taking hypoglycemic agents or hypolipidemic agents. This product contains corn derived ingredients, do not use if you have an allergy. Consult a health care practitioner if symptoms persist or worsen. Hypersensitivity (ie. allergy) has been known to occur, in which case discontinue use. Methemoglobinemia has been reported on rare occasions following an accidental overdose of potassium nitrate; intravenous methylene blue is the specific therapy for this condition.
